

Kohl wins first S/ST event: Moore and Ladeburg among winners at National Open

July 16th Earlville Iowa

Matt Kohl took his 56 Chevy to the winner's circle at the expense of Mark Werner. Kohl had the tree and the stripe in that high MPH 56 Chevy. Jay Holmes was the lone semi-finalist. Paul Kleusner bested Mat Micholski in the Trophy class final. Austin Black was the lone semi-finalist. Tucker Ladeburg won the Toys Done Right Junior Dragster class final over Arley Ballard. Maddie Notch and Evan Begyn were semi-finalists. Aiva Moore bested Allie Ulbrich in the Novak Electric Junior Consi. Briece Begyn and Payten Martinson were semi-finalists. The Novak's King of the Track run-off was rained-out. We will reschedule the run-off before the end of the season. Other eliminators were contested at the National Open but time caused us to call it off for the night. Weldon Tire S/P class was at 5 cars, Jim Hesseling, Dave Ringelstetter, Ray Thompson, Mike Campbell and Steve Geiger split the purse. Delhi Lumber Pro class had the same problem and split the purse at 5 cars. Jeff Freeman, Mike Cole, Brad Maxwell, Doug Heinrichs and Brendon Bungert were the racers still in. Sportsman class was split at 3 cars. Mike Freeman, Jason Azbill Jr. and Tim Kania were involved in the splitting of the purse. Midwest/Heartland S/SS Combo was split at 3 cars with Alan Kastle, Jared Hutar and Lyn Johnson in the money. S/G class was split at the final. Dale Evans and Tony Malloy were the last men standing. In the MWSCA class final it was a split between Jeremy Demers and Gary Jenkins.

July 17th

We had rain over night and that delayed the start of Sundays event. Without time trials cars were called to the lanes and we started eliminations. After 2 rounds in most classes rain began to fall and with the forcast of further storms coming the event was cancelled. Purses were split and sent out. Nobody likes a rain delayed event but with the help of the racers we completed what we could. Thanks to all that attended.
